

Medicaid Physician Incentive Program (MPIP)

Beginning January 1, 2019, Vivida Health Plan will reimburse qualified providers enhanced payments for certain qualified services as part of the Managed Medical Assistance (“MMA”) Physician Incentive Program (“MPIP”). The MPIP allows identified providers to qualify for reimbursement equivalent to the appropriate Medicare allowable rate for the region in which the provider is contracted, for certain, included services.

For detailed information about the MPIP, including qualification requirements and included services, visit the [Agency’s website](#).

For more information on qualifying, please contact Vivida Health at 844-243-5175 or providerrelations@vividhealth.com.
