

From the June 24, 2022  
 Florida Pharmaceutical & Therapeutics Committee Meeting  
 (Changes Effective July 1, 2022)

| ACNE AGENTS, TOPICAL               | PDL Status<br>Before Meeting | PDL Status<br>After Meeting | Comment |
|------------------------------------|------------------------------|-----------------------------|---------|
| TWYNEO CREAM (TOPICAL)             | NA                           | Non-PDL                     |         |
| ANALGESICS, NARCOTICS SHORT        |                              |                             |         |
| SEGLENTIS (ORAL)                   | NA                           | Non-PDL                     |         |
| ANTICOAGULANTS                     |                              |                             |         |
| XARELTO SUSPENSION (ORAL)          | PDL                          | Non-PDL                     |         |
| ANTIDEPRESSANTS, OTHER             |                              |                             |         |
| ZULRESSO (INJECTION)               | NA                           | Non-PDL                     |         |
| ANTIDEPRESSANTS, SSRIs             |                              |                             |         |
| PAROXETINE SUSPENSION (ORAL)       | PDL                          | Non-PDL                     |         |
| SERTRALINE CAPSULE (ORAL)          | PDL                          | Non-PDL                     |         |
| ANTIEMETIC/ANTIVERTIGO AGENTS      |                              |                             |         |
| ALOXI (INTRAVEN)                   | Non-PDL                      | PDL                         |         |
| BARHEMSYS VIAL (INTRAVENOUS)       | NA                           | Non-PDL                     |         |
| PALONOSETRON (AG) (INTRAVENOUS)    | PDL                          | Non-PDL                     |         |
| PALONOSETRON (INTRAVENOUS)         | PDL                          | Non-PDL                     |         |
| SCOPOLAMINE (TRANSDERM)            | PDL                          | Non-PDL                     |         |
| TRANSDERM-SCOP (TRANSDERM)         | Non-PDL                      | PDL                         | Auto-PA |
| ANTI-ULCER PROTECTANTS             |                              |                             |         |
| CARAFATE SUSPENSION (ORAL)         | Non-PDL                      | PDL                         |         |
| CARAFATE TABLET (ORAL)             | Non-PDL                      | PDL                         |         |
| SUCRALFATE SUSPENSION (AG) (ORAL)  | PDL                          | Non-PDL                     |         |
| SUCRALFATE SUSPENSION (ORAL)       | PDL                          | Non-PDL                     |         |
| ANXIOLYTICS                        |                              |                             |         |
| LOREEV XR CAP ER 24H (ORAL)        | NA                           | Non-PDL                     |         |
| BETA-BLOCKERS                      |                              |                             |         |
